PROJECT INDEPENDENCE

Proceeds from our 23rd Annual Independence Cup Golf Tournament are designated to support Monroe Community Hospital's "Project Independence"- a program funded by the MCH Foundation which promotes resident independence, mobility and community inclusion to the highest degree possible. Since its inception, the Independence Cup has raised almost a million dollars that has been used to purchase or modify power wheelchairs, state-of-the-art communication devices and other specialized equipment that has helped our residents lead more independent, productive and satisfying lives.

ENRICHING WORLD-CLASS CARE

The MCH Foundation exists to seek charitable support for the care and treatment of the hundreds of people who call Monroe Community Hospital "home." Monies raised by the Foundation are used to support endeavors not funded by traditional reimbursement methods and add to the quality services that have earned MCH its national reputation in geriatrics and long-term care.

THANK YOU FOR JOINING US

As a sponsor and golfer in this year's Independence Cup, you have made an important difference in the lives of our residents. We couldn't do what we do without your support!
